

Blended Intensive Programme (BIP)

CONNECTING CULTURES

SUSTAINABILITY, TRAVEL, TRANSLATION & MIGRATION

Understanding cultural interactions is key to building sustainable and inclusive societies. In this course, students will tackle challenges related to Sustainable Development Goals (SDGs), applying their knowledge to real-world cultural transfers in partnership with socio-cultural agents, aligned with their research interests.

- **Open to postgraduate, master and PhD students of humanities and social sciences.**

- **Awarded at ENLIGHT Teaching & Learning Conference 2024.**

- Supported by CBE i3lab, UPV/EHU's living lab for Challenge Based Education.

- Check out the **video recap** of our first course edition:
