

CALL FOR MASTER SCHOLARSHIPS

CIC nanoGUNE is the Basque Research Center for Nanoscience and Nanotechnology and it is located in San Sebastian (Spain).

We offer scholarships to master students for the master thesis to be done at nanoGUNE.

We are looking for highly motivated graduates who are planning to complete their studies with a master's degree and are furthermore interested in pursuing a doctoral degree at our research center.

SELECTION PROCESS STARTS MAY 15, 2019

Early applications are strongly encouraged. However, applications will be accepted until the formal deadline of September 20.

Check all the master projects, the details about the call, and **apply** for your grant at
